## Map of Manor Park

Manor Park covers the area in Aldershot surrounding the park, from the railway line in the west continuing up Grosvenor Road, and the High Street in the North and to Lower Farnham Road in the south east.

## Resident survey results

The last Rushmoor Borough Council residents' survey was carried out in 2024, the full results are available on our [website](#). The survey was an online survey and 1,686 surveys were returned, in total 140 residents in Manor Park ward completed the survey. Although not all wards had a representative number of responses the results can give an indication to what respondents in a ward think.

Below is a summary of the results for Manor Park ward.

### Top five factors that are important in making somewhere good to live and need improving by ward

Here are the top things that Manor Park respondents think is important in making somewhere good to live and need improving.

Important in making somewhere good	Top five	Need improving
Clean streets	1 <sup>st</sup>	Road and pavement repairs
The level of crime	2 <sup>nd</sup>	The level of crime
Health services	3 <sup>rd</sup>	Clean streets
Road and pavement repairs	4 <sup>th</sup>	Shopping facilities
Parks and open spaces	5 <sup>th</sup>	Health services

### Satisfaction with Rushmoor (Aldershot and Farnborough) as a place to live (with 1 being very dissatisfied and 10 being very satisfied)

	All responses	Aldershot	Manor Park
Average score	5.50	5.40	5.07

Respondents from Manor Park ward have a lower satisfaction with Rushmoor as a place to live than respondents from Aldershot, and a lower satisfaction than all respondents to the survey.

### How strongly do you feel you belong to your local area? (very and fairly strongly)

	All responses	Aldershot	Manor Park
Average score	51.9%	51.6%	58.8%

Respondents from Manor Park ward feel that they belong to their local area more than those from Aldershot, and all those who responded to the survey.

## Ward population and makeup 2021

The following data is from the 2021 Census. The Office of National Statistics calculate ward data by aggregating data for small areas to best fit the ward boundaries, and therefore data may differ slightly from other ward data.

- **Population:**

2021 Census	Population	Total households	Female %	Male %
Manor Park	9,300	3,700	49.8	50.2

- **Age:** Manor Park has slightly less 0-19 year olds, when compared to Rushmoor as a whole.

- **Ethnicity:** Manor Park has a higher percentage of Asian residents, when compared to Rushmoor as a whole.

- **Religion:** A lower percentage of Manor Park residents have no religion and a higher percentage are Buddhist and Hindus, when compared to Rushmoor as a whole.

- **Housing:** A higher percentage of residents in Manor Park rent their homes from private landlords and a lower percentage rent their homes from social landlords (housing associations), when compared to Rushmoor as a whole.

- **Health:** A slightly lower percentage of Manor Park residents report very good health and a slightly higher percentage report good health, when compared to Rushmoor as a whole.

- **Economic activity/inactivity:** There is not much difference between the economic activity of Manor Park ward and Rushmoor as a whole.

- **Qualifications:** A slightly higher percentage of Manor Park residents have no qualifications, when compared to Rushmoor as a whole.

- Level 1 and entry level qualifications: 1 to 4 GCSEs grade A\* to C , Any GCSEs at other grades, O levels or CSEs (any grades), 1 AS level, NVQ level 1, Foundation GNVQ, Basic or Essential Skills

- Other: vocational or work-related qualifications, other qualifications achieved in England or Wales, qualifications achieved outside England or Wales (equivalent not stated or unknown)

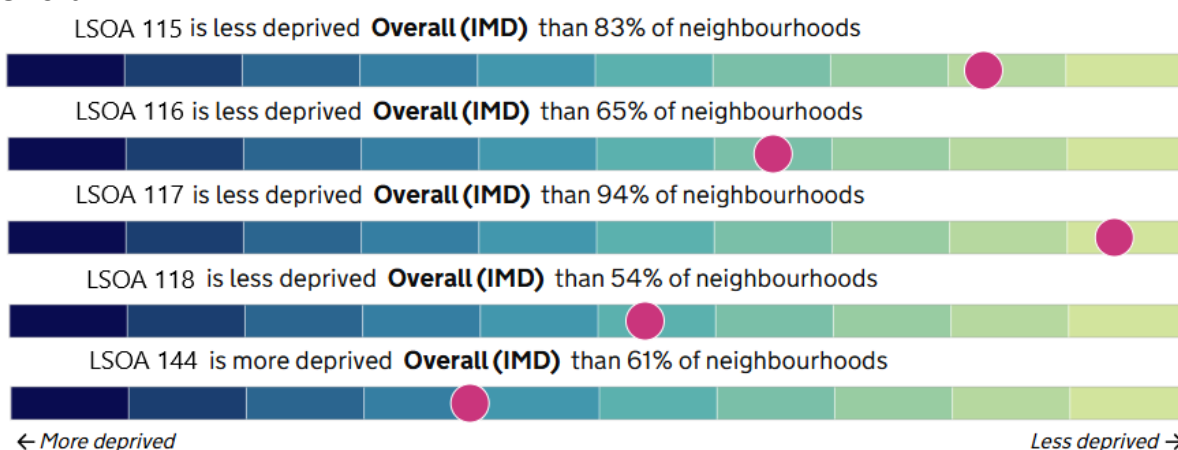

## Deprivation breakdown

The Government's Index of Multiple Deprivation (IMD) 2025 provides a relative deprivation score for each small area in England, it covers a range of economic, social and housing issues. The overall score is calculated using data from seven domains. Most of indicator data has come from 2022 to 2024 and some of the data is from the 2021 Census. The Indices of Deprivation cover geographical areas that are called Lower-layer Super Output Area level (LSOA), of which there are 33,755 in England. Each LSOA is ranked in order against all other LSOA in the country, where 1 is the most deprived and 33,755 is the least deprived.

There is a total of 60 LSOAs in Rushmoor. Unfortunately, LSOAs and the council's wards do not exactly line up. In Manor Park ward there are parts of six LSOAs but only five which have more than 40% of their area in the ward.

### Overall IMD

For comparison purposes below is overall IMD for Rushmoor (average rank of the LSOAs)

[Open Government Licence](#)

Manor Park ward has no areas in the 20% most deprived areas in England for Multiple Deprivation. For more information about the Index of Multiple Deprivation please see our IMD 2025 data sheet.
