

# Community Safety Resident Survey 2025

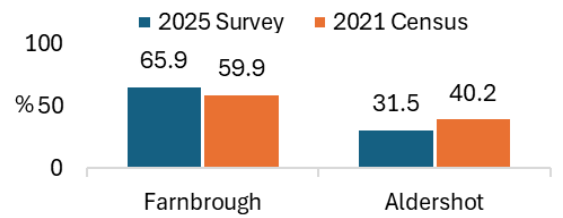

A total of 1,016 people completed the online survey, with strong under-18 engagement through schools and colleges.

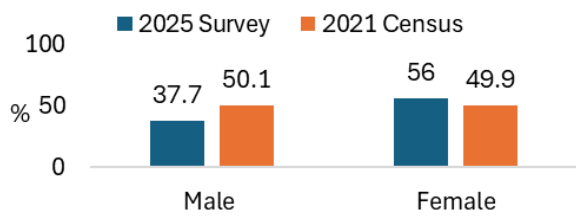

## Respondents

People from Farnborough were overrepresented. However, most of the secondary schools and colleges are based in Farnborough

Females were overrepresented.

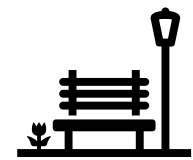

### What you told us:

This year's survey showed a slight decrease in how safe people feel - especially those spending time in our town centres.

### What we're doing to help:

- Place Protection Officers have spent over 1,300 hours patrolling Farnborough and Aldershot town centres since January 2025, engaging with businesses, residents and in key areas.
- We've upgraded all CCTV cameras in our towns and parks and installed 4 new cameras in Farnborough, these cameras are monitored 24/7, every day of the year by our control room.

### What you told us:

While most respondents did not comment on park safety, Manor Park was the top location mentioned for feeling unsafe both daytime and nighttime.

### What we're doing to help:

- Our outreach workers regularly visit hotspot areas to engage, support and guide young people.
- From August 2024 to April 2025, they ran 26 sessions across 34 locations connecting with 199 young people.

## Headlines

### What you told us:

Drugs and drug dealing continue to be one of the biggest concerns raised in the survey.

### What we're doing to help:

- We work closely with local police, sharing any information or intelligence we receive.
- Our patrolling officers and outreach workers carry out high-visibility patrols in key areas to offer reassurance and gather intel.
- If you witness drug related activity, please report it directly to the police via 101, or 999 in an emergency

### What you told us:

Comments related to dog fouling increased from 11 in 2024 to 66 in 2025 showing a growing concern locally.

### What we're doing to help:

- Dog fouling is a priority for the council, frequent campaigns are planned throughout the year and we carry out patrols in hotspot areas to engage, educate and enforce where problems continue.
- Report dog fouling hotspots on our website.
