

RUSHMOOR BOROUGH COUNCIL RECORD OF EXECUTIVE DECISION

Decision taken by individual Council officer

(All sections must be completed (mark "N/A" as applicable))

DECISION MAKER *(Name and designation)*

Tim Mills (Executive Head of Property and Growth)

DECISION AND THE REASON(S) FOR IT

To respond to the Scottish and Southern Electricity Networks (SSEN) consultation on the Fleet Grid Supply Point Strategic Development Plan (SDP).

The SDP sets out the expected electricity demand within the area served by the Fleet Grid Supply Point to 2050 and how the network could be upgraded to ensure that electricity supply meets the demand. The whole of Rushmoor is served by the Fleet Grid Supply Point and it is expected that electricity supply will be a key constraint on delivery of development in the borough in the future. It is therefore considered important that a response is made to SSEN on the SDP.

DATE DECISION TAKEN

11th July 2025

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

(Those examined by officers and generated by consultation, etc)

The alternative option would be not to respond to SSEN on the SDP consultation. However, as electricity supply is considered to be a potential constraint on future development in the borough, this option was not considered to be appropriate.

ANY CONFLICTS OF INTERESTS DECLARED

(conflict of interests of any executive member who is consulted by the officer which relates to the decision. A note of dispensation should be attached).
